

IN REMEMBRANCE

This Memorial weekend the town of Palmer Lake Star will be lit to honor your loved ones, town residents, who have passed away. The star lighting will begin on Friday at dusk until Tuesday

at dawn. The full list of Palmer Lake residents in remembrance will be posted to the website at townofpalmerlake.com as NEWS.

SPRING FIRE SAFETY TIPS

INSIDE THE HOME:

- Check and clean your smoke and carbon monoxide detectors.
- Check your fire extinguishers.
- Check for overloaded or damaged extension cord.
- Check and clean filters above stove.
- Prepare for emergency evacuation orders. Make sure your Emergency Kit is ready: <https://www.ready.gov/kit>
- Practice exit drills with your family so everyone knows what to do in case of an emergency.
- Properly store household chemicals and never mix cleaning agents.
- Pull refrigerator out and vacuum or dust the coils.
- Recycle: get rid of old newspapers, magazines, and junk mail. These items tend to pile up and can contribute to the severity and spread of fire.
- Windows should be checked to ensure they open and close properly, in case they are needed as an exit.
- Always keep stairs and landings clear for safe evacuation in event of an emergency.

OUTSIDE AND AROUND THE YARD:

- Make sure your address numbers are up and visible from the street.
- Clean up yard debris. Cut back dead limbs and grasses.
- Maintain a clear "fire zone" of 10 feet around structures. Clean up leaves and debris and consider using stone or non-combustible mulches.
- Check outdoor electrical outlets and other electrical appliances.
- Get your BBQ grill cleaned and serviced. Check all propane tanks and lines for leaks and damage.
- Keep 100 feet of garden hose with an attached nozzle connected and ready for use.

IN THE GARAGE OR SHED:

- Clean up and properly store paints, pool and yard chemicals.
- Check fuel containers for leaks and make sure they are properly stored.
- Have all power equipment cleaned, serviced and ready for use.
- Let power equipment sit for approximately 30 minutes before placing it inside.

OUR TOWN

TOWN OF PALMER LAKE
 42 VALLEY CRESCENT

FROM THE POLICE DEPARTMENT

Residents must remain aware of the “Scams” that are taking place. There are many to name and, for more information, go to these websites:

<https://www.consumer.ftc.gov/features/scam-alerts>

<https://www.usa.gov/common-scams-frauds>

<https://www.fbi.gov/scams-and-safety/common-scams-and-crimes>

<https://www.cdc.gov/media/phishing.html>

In any case, please contact PD office at 719-481-2934 with questions or concerns.

As windows and restrictions open up with warming weather this season, let us consider how we treat our neighbors. Actively participate in helping this community remain safe, enjoyable, and beautiful for everyone who lives, works and plays in Palmer Lake. Be considerate of light pollution & noise pollution.

Town Weekly News

E-mail *

Public Works Department

- Waterline improvements will be made within Oak Carriage to South Valley area.
- Beginning mid-May, dust control application to roads throughout the Town will be applied.
- Construction of the South Valley Rd improvement project will begin by June. South Valley will be closed to through traffic.
- Please help keep our Parks and Lakes beautiful by using trash recepticals. Fishing hooks can be dangerous.
- Always walk pets on a leash and clean pet waste.
- Do not stack debris at inlet of culverts. Keep culverts clear on private property.
- Do not feed the wildlife.
- Use lake at your own risk.
- No camp fires at the lake.
- Keep off water fountain in Palmer lake. It adds oxygen to help starve out the nutrients that algae need to grow & prosper.
