

Beginning Watercolor Landscape Painting

Feb 8-March 14, Thursdays 630-745 pm

66 Jefferson St, Monument CO-Senior Center

Teacher- Maria Kowalski-MFA with a drawing and painting emphasis

Class size-min 5-max 15

Ages-6th grade thru adult

\$200 session/\$45 per drop in

Class will familiarize students with basic watercolor materials and equipment. Students will develop composition and color theory fundamentals of landscape painting. We will use a travel watercolor set so that students will be able to paint on location for assignments out of class and in the studio as practice. Students will develop landscape painting watercolor techniques using photo references in the classroom. The class will explore color mixing, color complements and color harmonies essential in successful landscape paintings. Each session we will have time for classroom instruction, painting exercises for visual accuracy, and group critiques.
