

Sketchbook Development Class: Building Artistic Skills

Feb 8-March14, Thursdays 5-615pm

66 Jefferson St, Monument CO-Senior Center

Teacher- Maris Kowlaski-MFA with a drawing and painting emphasis

Ages-6th grade-adults

\$200 for session/\$45 per drop in

This course is designed to activate sketchbook development as a tool for artistic advancement. We will use drawing from observation and creative journaling to stimulate artistic expression. Students will explore image making and develop sketchbook techniques. Classroom will focus on creating a skilled expression and jump starting creative habits. Sketchbook development through creative expression is fundamental to becoming a professional artist. Each session will have time for classroom instruction, developing drawing ability and group critiques.
