Awake Palmer Lake 501C3 is formally announcing that the traditional Festival on the Fourth Fireworks event will not take place this year due to a shortage of volunteers and a committee chairman. However, we remain optimistic about the possibility of bringing back this beloved celebration in the future.

In more exciting news, Awake Palmer Lake, in partnership with the Palmer Lake Parks Department, is delighted to reveal plans for the addition of six tournament-quality pickleball courts and a community restroom near the pedestrian bridge in Centennial Park. Construction to begin summer 2024. This development represents a significant enhancement to our town's recreational facilities, promising to be a hub of activity and enjoyment for sports and social gatherings.

In the meantime, residents and visitors are encouraged to explore the scenic beauty and various outdoor activities available in Palmer Lake, including hiking, biking, disc golf, fishing, paddle boarding, and picnicking. Our town also features a variety of quaint shops, eateries, and pubs, all contributing to the unique charm and sense of community in Palmer Lake. Everyone is invited to come and discover the allure and welcoming spirit of our special town.
